

ABOUT US

As a new student at Crown College, it won't take long to discover what makes us special — we're an outstanding group of faculty and staff who truly care about our students. Crown is a fully accredited college that offers quality academics, convenient online options, and a boldly Christian environment.

PSEO OPTIONS

Crown is excited to offer Post-Secondary Enrollment Options (PSEO) to qualified Mankato Christian Academy students. PSEO is a Minnesota program that allows 11th and 12th-grade students to enroll in free college courses that earn them credits simultaneously for both their high school diploma and college degree.

Students take classes from an MCA professor or in a hybrid format in which Crown's online instructor partners with a course assistant from MCA. The courses have a low student to instructor ratio. All PSEO students are supported by a dedicated PSEO academic advisor.

SCHOLARSHIPS

Scholarships are available to students who attended Crown as PSEO students and then enroll as full-time first-year students the following academic year. The maximum amount of this renewable scholarship is \$2,000 per year if attending on campus. Students may also qualify for additional aid. Students must demonstrate financial need as determined by the FAFSA. Students enrolling in the School of Online Studies are eligible for a 25% off tuition scholarship.

APPLICATION INFO

- Students must have a minimum 3.0 high school GPA
- No standardized tests are required for admission
- The tuition and books are **FREE** for Minnesota students

Application Deadline:

- August 1st

To register, students must complete and submit the following:

- An online Crown application
- A MN Dept. of Education form
- An official high school transcript

ASSOCIATE'S DEGREE:

Students can earn an Associate's degree. Contact Crown for more information.

FALL COURSES 2024

AUG 28 — DEC 20

CLASS	DESCRIPTION	CREDIT
ENG 1510: College Writing and Research	This course emphasizes the fundamentals of effective writing in the context of the elements of rhetoric: writer, audience, and purpose. Students write narrative, informative, and persuasive compositions and a documented research paper. This course is equivalent to: ENG 131	3
LAN 256: Spanish II	This builds on the work of Spanish I as an introduction to the sounds, vocabulary, and structures of the Spanish language through listening, speaking, reading and writing as well as awareness of the cultural context of the language. Communicative skills are reinforced through practice in integrated laboratory activities. Prerequisite: LAN 255 or consent of the instructor	4
MAT 131: College Algebra	This course provides a short review of Algebra II, followed by a concise study of algebraic, polynomial, exponential and logarithmic functions and their graphs. Linear, quadratic and systems of equations are included, along with their applications. This course provides a foundation for students wishing to take calculus. Prerequisite: High School Algebra II	3
MUS 235X: Music and the Arts	This course introduces the student to music and the arts in Western Civilization. Chronologically based, the course deals with stylistic features, philosophical thought, composers, and artists and their representative works. (Also FAR 235X)	3
PED1020: Personal Physical Fitness	This course is an introduction to personal physical fitness through the practice of specific physical activity. Emphasis will be placed on exploring safe and effective methods to strengthen and improve the body's cardiovascular and muscular systems. Students will be able to choose their preferred physical activity, but it must be approved in advance by the instructor. Repeatable up to 3 credits if students choose different physical activities. This course is equivalent to: PED 102	1

SPRING COURSES 2025

JAN 15 — MAY 16

CLASS	DESCRIPTION	CREDIT
ENG 1512: Introduction to Literary Analysis	Continued instruction and practice in writing and the writing process are the focal points of this course, with emphasis on critical analysis of literary genres. This course is equivalent to: ENG 132	3
LAN 335: Spanish III	The purpose of the second-year courses is to increase the student's ability to speak, understand, read, and write the Spanish language. The courses will also increase the student's awareness of Hispanic culture and will review aspects of Spanish grammar. Prerequisite: LAN 256 or consent of the instructor	3
MAT 130: Mathematics Survey	A mathematics course designed for the liberal arts or general education purposes, including quantitative literacy and mathematical competency. The course consists of problem solving and mathematical modeling. Topics include set theory, operations, percent and decimals, linear equations and their applications, slopes, parallel and perpendicular lines, systems of equations, counting techniques, probability and descriptive statistics.	3
MAT 1410: Precalculus	A mathematics course designed for the liberal arts or general education purposes, including quantitative literacy and mathematical competency. The course consists of problem solving and mathematical modeling. Topics include set theory, operations, percent and decimals, linear equations and their applications, slopes, parallel and perpendicular lines, systems of equations, counting techniques, probability and descriptive statistics.	3
PED1020: Personal Physical Fitness	This course is an introduction to personal physical fitness through the practice of specific physical activity. Emphasis will be placed on exploring safe and effective methods to strengthen and improve the body's cardiovascular and muscular systems. Students will be able to choose their preferred physical activity, but it must be approved in advance by the instructor. Repeatable up to 3 credits if students choose different physical activities. This course is equivalent to: PED 102	1
